

Spring Recital 2021

It's time to order costumes for our end of the year recital! Recital will be June 4th and 5th OR 11th and 12th. At this time, we are hoping for an indoor auditorium recital, but we will have a recital even if we have to rent a stage and hold outdoor recitals or smaller auditorium recitals. We will have a show! Dress rehearsal dates and specific show times will be given out in the spring.

NEW! Costume Deposits of \$40 per costume are due November 15th. The costume balance of \$40 per costumes will be due January 15th. The recital fee will be due in March when we hopefully know more details on the show being indoors or outdoors and what it entails.

All recital classes will have one dress rehearsal day and one show (there are multiple shows throughout the weekend). If you cannot make these dates, please fill out the portion below and return to us by November 14th, so we know not to order a costume. No refunds on costumes will be given after that. Costumes are made to order, and the companies do not take returns.

Costume fees are \$80 (half due Nov and half due Jan) for all classes in the recital. Please make sure you have a costume fee for each class you are enrolled in so that a costume is ordered (except for tumbling classes and select ballet classes which are not in the recital).

Recital fees have already been added to your account. A statement email will be following with a detailed breakdown of your individual fees. You can pay anytime between now and November 15th.

Autopay 10 Payment Plan Customers:

For those on the automatic 10 payment plan, your recital fees will run automatically with your November 15th tuition. If you need to update your autopay information, please go online to the parent portal at www.danceloudoun.com.

Trimester Plan Customers:

If you selected the trimester payment option when registering, your next installment is due November 15th along with your recital fees. Your final installment is due February 15th.

Via the links listed above, you can view your online account at any time as well as make payments. All enrolled families have an account automatically even if you've never logged in. If it is your first time logging in, click forgot password, and then use your email address where you receive emails from the studio to create a new password.

Not Participating - Please Return by November 14th
